From Heritage to Hip

The allure is undeniable. The storybook style is unmistakable. Since 1888, this legendary hotel has romanced San Diego's Coronado beachfront like an enchanted castle in full Victorian splendor. Today, The Del is set to inspire a brand-new generation, from the exclusive oceanfront cottages and villas at Beach Village at The Del®, to beautifully refreshed rooms and suites throughout the resort, world-class dining and shops, and a luxurious spa inspired by the sea. This is The Del you've known and loved. And now, it's The Del as you've dreamed it could be.

From Shore to Shopping

Retreat into your sanctuary, steeped in classic seaside charm but up-to-the-minute with modern comforts. Stepping onto your balcony, the possibilities unfold before you. The sand below. The sun above. And ahead, temptations as endless as the sparkling Pacific: biking through quaint Coronado; sailing Coronado Bay; browsing shops that purvey everything from the latest designer wear to old-fashioned sweets and classic toys. The ocean itself beckons for a swim, a surfing lesson or just a toe dipped in the cool water. And with The Del rising behind you, you just might be inspired to build your own castle in the sand.

Beach Village:
Inspired by a Legend, Destined to Become One

Privacy. Luxury. Uncompromising service. And just outside your door, endless sand and surf setting the stage for spectacular sunset views. Exuding coastal charm and relaxed elegance, the cottages and villas at Beach Village provide plenty of space to live, dine and renew. A word to your personal concierge and you'll find the refrigerator stocked with favorite treats or savor a dinner prepared by a master chef in your own gourmet kitchen. Cozy up to your greatroom fireplace or sink into a spa hot tub on your oceanfront terrace. Welcome to your own private seaside haven. Welcome to Beach Village.

Dining That Elevates

All your senses come alive as you savor the sophisticated Southland coastal flavors and ambiance at the award-winning 1500 OCEAN. Revel in a spectacular sunset over cocktails by a crackling fire pit on the Sun Deck. Sample flights of fine wine, cheese and chocolate at the trend-setting ENO Wine Room. And that's just the beginning: there is the region's freshest catch and seasonal offerings at the oceanfront Sheerwater; cocktails and light fare at the legendary Babcock and Story Bar; and San Diego's most sumptuous Sunday brunch is served under the spectacular domed ceiling of the historic Crown Room.

Seaside Renewal That Invigorates

The treasures of the ocean – sun, sand and shells – inspire a spa experience like no other, where the rhythms of the tides and caress of the breeze are captured in every pampering treatment, and where cares disappear over the vanishing edge of a magnificent oceanfront pool. Treat yourself to a new style at the acclaimed Yamaguchi Salon, with its Feng Shui approach to beauty, or challenge yourself to a world-class workout at the state-of-the-art fitness center, with its full array of equipment and classes. You'll find it all here, just steps from the beach, where sand and surf meet in one of nature's most magical settings, and where inspiration runs as deep as the ocean.
