Beach Village at Hotel Del

BY HOLLY KINZELL

Located at the iconic landmark of the red-roofed Hotel Del is an exclusive enclave of luxurious oceanfront cottages and seaside villas that radiate coastal charm. Beach Village embraces its guests with every possible comfort and convenience a beach rental can offer in the exquisite surroundings of beautiful Coronado- San Diego. Mirroring the hotel's original architecture, 78 guestrooms and suites provide abundant dining and living spaces with gourmet kitchens, spa-style baths, cozy fireplaces and ocean-view terraces.

For an opulent ocean-view dining experience, 1500 Ocean, the Del's signature restaurant, provides guests with an unrivaled menu of Southland coastal cuisine prepared by Chef Brian Sinnott. And for a one-of-a-kind experience, ENO, invites guests to sample the world's finest wines, rare cheeses and heavenly chocolates in the customized tasting room. Partake in a tasting and pairing class where you will be surrounded by 2,800 bottles of wine and built-in cheese and chocolate cases.

Indulge in the Del's award winning spa which was recently given top honors by Travel + Leisure as one of the "Top 20 Hotel Spas in the World." Step into a world of pampering and relaxation with 21 treatment rooms decorated in calming tones and bathed in natural light. Ocean-inspired treatments provide a unique touch to spa classics; such as the Goddess of the Sea Body Wrap, Shell Coronado Massage and Island Sands Body Polish. With glowing skin, a refreshed spirit, and revitalized energy, you will leave the Del's spa feeling as though you have experienced heaven on earth.

From chicly adorned accommodations with breathtaking ocean views to an abundance of resort amenities; including fine dining and a luxurious spa to exemplary personal service. Beach Village at The Del offers not only a vacation dream but a memorable experience unlike any other!
